Makaton Rocks by Coppice School, Janet Wood and Jim Lunt in 2017

Chorus

Makaton rocks
Makaton rocks
Oh yeah! Oh yeah!
Makaton rocks
Makaton rocks
Oh yeah! Oh yeah
Signing is cool
At home and at school
Makaton rocks
Makaton rocks
Oh yeah! Oh yeah!

The sign for picnic is...
We like to eat outside
The sign for book is...
It can make you laugh or cry

Chorus

The sign for walk is...
Along the forest path
The sign for fun is...
We use it when we laugh

Chorus

Signing helps us talk to people
Helps us understand
If we can, we use our voice
Together with our hands

2 x Chorus

Makaton rocks
Makaton rocks.....

The Dinosaur Song by Stone Hill School, Moony Wainwright and Jim Lunt

Chorus

Can you roar like a dinosaur? Roar!
Can you stomp like a dinosaur? (**stomp stomp stomp**)
Can you fly like a dinosaur?
Can you swim like a dinosaur?

I saw a T. rex eating a sausage roll
I saw Triceratops do a dance
I saw a Pterodactyl flying in the sky
All the other dinosaurs are in the dark

Chorus

The Raptors are playing in the park
Stegosaurus is going down the slide
The Ankylosaurus is on the swings
Spinosaurus eats his birthday cake

Chorus

My mummy is a dinosaur
My daddy is a dinosaur
My sister is a dinosaur
And my brother is a dinosaur

Chorus

Can you roar like a dinosaur? Roar!
Can you roar like a dinosaur? Roar!
Can you roar like a dinosaur? Roar!
Can you roar like a dinosaur? Roar.....!

3019 Song Of The Future by Pennine View School, Moony Wainwright and Jim Lunt

Verse 1

Flying electric cars
Walking our robot dogs
Super shoes bounce us to Mars
We wear self-cleaning socks

Chorus

It's 3019
Everything's on a screen
Stranger Things is still on TV
Gaming is reality

Verse 2

If you're mean you'll get chucked into space
If you're good you get to live in the clouds
We make music with our minds
And float around for hours

Chorus

Will people be kind?
Will we all have a home?
Will animals survive?
Will hate be gone?

2 x Chorus

Three zero one nine!

The Ice Age Song by Heatherwood School, Moony Wainwright and Jim Lunt

Chorus

Eating ice ice cream
Eating ice ice cream
In the ice ice age
In the ice ice age
Eating ice ice cream
Eating ice ice cream
In the ice ice age
In the ice ice age

I want a snow bear
A wooly hat to wear
A pair of pink boots
And a yellow scarf

Chorus

Chasing an Arctic fox
Wearing my thermal socks
Put your blue gloves on
Or your hands will freeze

Chorus

An Arctic tern flew by
In the freezing sky
Singing in the breeze
My hat blew into the trees

Chorus

Eating ice ice cream!

The Time Machine Song by North Ridge Community School, Moony Wainwright and Jim Lunt

Moony our performance leader counts in "1 2 3 4"

Where we will go in our time machine?
What will we see when we're there ?
Will there be flying cars and superheroes?
Will robots be cutting our hair?
Will humans have wings will we live in the ocean?
Could we teleport anywhere?

See what we will we see?
See what we will we see?

"1 2 3 4"

Will there be frost on sunny days?
Will rainbow sheep fly in the air?
Will there be tablets Xbox and phones?
Will my mum still be there?
Will there be maths and art in the future?
Spelling words, English and P.E?

See what we will we see?
See what we will we see?

What will we see?
What will we see.....?

Party On The Moon by Coppice School, Moony Wainwright and Jim Lunt

A time machine flew into space
And there we met an alien race
They were green and they had three eyes
And a spaceship that flew through the skies
Their moon was yellow and bumpy
We had a picnic the custard was lumpy
We had

Chorus

A party on the moon
Dancing to the tune
No no no, let it go!
Go go go, rock 'n' roll!
Yeah yeah yeah!
Wave your hands in the air yeah!

The next planet we went to was blue
The aliens were that colour too
Some of them were tall
Some of them were small
Their cars were black and fast
Here we go, here we go, here we go!

Chorus

I can see a small rocket
I can see space
I can see an astronaut
I can see the earth
I can see the sun
I can see the stars
I can see my friend
I can see a rainbow

Chorus

Here we go!

Sing + Sign Pop Medley 2023 by Harry Styles, Tyler Johnson and Kid Harpoon, Sam Ryder, Amy Wadge, Max Wolfgang and Sam Robinson, Rick Astley, Matt Aitken, Mike Stock and Pete Waterman

As It Was

In this world, it's just us
You know it's not the same as it was
In this world, it's just us
You know it's not the same as it was
As it was, as it was
You know it's not the same as it was
As it was, as it was

Spaceman

If I was an astronaut, I'd be, floating in mid-air
And a broken heart would just belong to someone else down there
I would be the centre of my lonely universe
But I'm only human, and I'm crashing down to earth

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go back home

Never Gonna Give You Up

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

Never gonna give you up
Let you down
Run around, desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you
Never gonna give you up!
